

## Register for Nebraska Growing Readers

Nebraska Growing Readers is a grant-supported program providing licensed Nebraska child care centers and home providers with fun, easy-to-read, culturally and linguistically relevant books.

When you sign up, your home or child care center:

- Will receive monthly sets of books to display at your site.
- Can share books, free of charge, with your families or anyone interested.
- Can cultivate a love of reading in communities by fostering an early love for books and shared reading.

Visit our website to learn how you can receive your free Nebraska Growing Readers books at:
